

Stand-alone Smoke Detector

- ✚ ASIC control;
- ✚ Manual test, auto-reset;
- ✚ Low power indication;
- ✚ Infrared photoelectric sensor;
- ✚ Sound & flash alarm;
- ✚ Thin structure design;
- ✚ Strong adaptability to circumstance;
- ✚ SMT adopted;
- ✚ Dustproof, mothproof and anti-white light.

FST-LF608P	
Operating voltage	DC 9V (power by battery)
Standby current	Less than 10uA
Alarm current	Less than 20mA
Operating temperature	-10°C ~+50°C
Working humidity	Less than 95% RH
Alarm mode:	Sound & flash alarm
Alarm volume:	80 square meters (with the installation height of 6m-12m) 60 square meters (with the installation height of less than 6m)
