

Wireless Smoke Detector

- ✚ Adopted MCU auto-processing technology, stability improved;
- ✚ Wireless interconnection function;
- ✚ Wireless network function;
- ✚ Hush function;
- ✚ Fault auto-checking function;
- ✚ Auto reset;
- ✚ Infrared photoelectric sensor;
- ✚ Sound & flash alarm / LED indicator;
- ✚ SMT manufacture technology, adopted, high stability;

FST-LF620R	
Operating Voltage	AC220V or AC110V
	9V battery
Static current	< 25uA (average value)
Alarm current	< 35mA
Battery life	Lithium battery with lifetime 1 year;
Alarm indicator	Red LED flash
Sound Level	≥85dB/3m
Frequency	433MHz
Working temperature	-10℃ ~ +50 ℃; 95%RH
