

Independent CO Detector

- ✚ High reliability sensor;
- ✚ Be able to work with electromagnetic valve or exhaust fan;
- ✚ MCU processing adopted;
- ✚ Sound & flash alarm output;
- ✚ Designed to detect CO;
- ✚ SMT manufacture technology, good stability

| FST-LF701CS | |
|----------------------|-------------------------------------|
| Operating voltage | AC85-265V |
| Rated power | 3W |
| Alarm output | Sound and flash alarm |
| Alarm level | CO 150PPM |
| Drivable accessories | Electromagnetic valve & exhaust fan |
| Dimension | 115*72*41mm |
